Schedule RSAYS Spring Sailing School

EQUIPMENT The Spring Holiday Sailing Retreat is a camp. You will be sleeping in tents.

This is a fully catered camp. Please remember your mattresses, pillows, changes of clothes and any other comforts. This course packs a lot of content so being rested and comfortable is important.

We can accommodate you in patrol tents but if you prefer your own privacy then bring your own tent or swag.

SAILING CLOTHING: If it's your first time sailing, it's best to wear comfortable clothes that are appropriate for the weather on the day – a t-shirt and shorts are fine if it's warm. We recommend that you bring a rain jacket to protect you from the wind and spray. It's also important to remember that is often a little cooler on the water than it is on land, so consider the skipper or crew's advice, and dress in layers. You might get a bit wet so keep this in mind when selecting what clothes to wear.

It's not necessary to buy any specialist sailing clothing for your first time on the boat, but you may consider this after you have been sailing for a while and if you would like to continue. Speak to your skipper or fellow crew members about the most appropriate gear and where you can get it from.

Shoes should be comfortable, closed-toed, non-slip, and non-marking. Avoid wearing shoes that may come off easily as you move around the boat and bare feet are also not recommended (and not allowed on some boats). Bring a hat, sunscreen and sunglasses (with something to stop them falling off if possible) to protect you from the sun and the wind – even if it's a cloudy day.

The applicable Fees must accompany this application for processing.
