

1 May 2023 to 30 April 2024

Casual Storage - Trailer, Mast, Jinkers & Other

All storage items are to have an RSAYS Identity Tag attached (available from the Squadron Office) and stored only in the authorised allocated areas on Squadron premises.

Please refer to the attached map for the three (3) approved storage areas for masts.

AREA #1 This is the existing Mast Storage area on the Eastern Boundary

AREA #2 A designated area on the NE end of the Hard Stand area paved concrete. Please note no masts are to infringe on the road in this area.

AREA #3 Dinghy Shed in the main clubhouse or SE Dinghy Storage Shed.

Storage fees apply to both approved outside areas (Areas 1 & 2), and the sheltered areas of the main Dinghy Shed and the SE Dinghy Storage Shed (Areas 3 & 4).

All other areas are not approved unless arrangements are made with the General Manager prior to the item being placed in the area. Storage is not permitted in areas requiring emergency access, access to maintenance facilities, or areas that will disrupt general Squadron activities or aesthetics.

Penalties will apply to items stored in unauthorised areas or without Squadron authorisation. These fees and charges are listed in the table below.

Container Storage is only available on application – fees and conditions apply.

Members are reminded to please ensure that any contractors that they employ are aware of the storage and maintenance facilities usage fees that apply and the rules attached to these areas. Members wishing to utilise the maintenance facilities including the yellow crane, Mast Crane and access to the sheet pile wharf, are reminded to make a booking via the squadron office to avoid inconvenience of double bookings and associated charges to contractors.
